

# The Token Hunter National Utah Token Society

Next Meeting: Jan. 26, 2023 7 PM  
Columbus Community Senior Center, 2531 S. 400 E., SLC 84115

## President's Message

Hello club members and Happy New Years!

My name is Steven Cuthbert, and I am honored to be writing you today as your next club president. I am very excited to be serving you all this year and I know this year has something great in store for all of us. I would like to introduce myself, I am from West Jordan Utah, and I have been collecting coins for as long as I can remember. A lot of the coins that I have actually came from my great-grandfathers' collections, which was given to me by my grandmother. I have also been attending the local Sandy coin shows for many years having no idea that someday I would be the president of one of the clubs that hosts them. Shortly after high school I also bought my first metal detector that I would take out with my little brother after he got out of school since it was my responsibility to baby sit him. Since that time, going out has always been a fun way to pass some time.

It wasn't until last year that I actually saw the first ad for the N.U.T.S. club, and after the first meeting I was hooked meeting new people and having fun. That is what I hope each one of you get to continue to experience this year! It has been a little over a month now since we had our annual Christmas party, so I am sure everyone is excited to get back to our normal routine. Next week on January 26th we will have our first meeting of the year, and we will be honored to hear from Drew Whitehead who has prepared the history of the penny in 1100's England and how those played a political role in the uncertain time of Stephen of Blois and King Henry the First. It is a great honor to have Drew back with us again this year, and it is sure to be interesting.

We hope to see you all there on Thursday, and I just wanted to remind everyone that with the beginning of the year, we will be swearing in the new officers that will be taking over this year. We also will not be having "Finds of the Month" this month, and we will be starting that again in our March meeting. I would also like to remind everyone that club dues will be due at our first meeting. Prices will be the same as last year and full membership will give you access to all the exciting activities that we have planned this year like our summer BBQ and metal detecting activity! I hope you all have a great week and look forward to seeing each of you at the next meeting!

Steven Cuthbert

President of the National Utah Token Society

Membership for 2023: \$20 Individual, \$30 Household, \$10 Junior
